

THE GRASSHOPPER INN

Testimonial's from 2010 Weddings

“I am just writing to say thank you to you and your events team for our wonderful Wedding at your premises on the 8th May 2010. It is still being talked about even a month on from the event as to how relaxed and well organised it was.

I feel that the credit is due not only to all your staff but also to the two main organisers of the event Caroline and Claire, for making my day go smoothly.

I hope you will pass on our thanks to all the staff that worked that day and give our much appreciated admiration to the chef for a wonderful wedding breakfast.”

“We had an absolutely amazing day and we just wanted to say that a lot of that was down to the planning by your good selves and the staff at The Grasshopper Inn. We have had nothing but fantastic comments especially about the food which some people have said was the best wedding breakfast meal they had ever had. Many of our guests also commented on the fact that the canapés just kept on coming, which they said was very rare at a wedding reception. Your waiting staff and your bar staff were brilliant and when Gareth and I walked in and saw all the tables set up, we couldn't have been happier. It was exactly as we wanted it.

We would certainly recommend The Grasshopper Inn as a venue for future weddings and parties. Absolutely fantastic!!”

“Thank you so much for making Sally & Gareth's wedding day so special. The venue looked stunning; the food was excellent from start to finish. We had so many guests complimenting the food- please thank your chef for us.

Finally a big thank you to Claire and all the staff involved. They are a credit to the Grasshopper.

A lovely day...

A lovely venue...”
